

Passion Rules The Game

Scorpions
Savage Amusement
Canto / Voice

Standard tuning

$\text{♩} = 110$

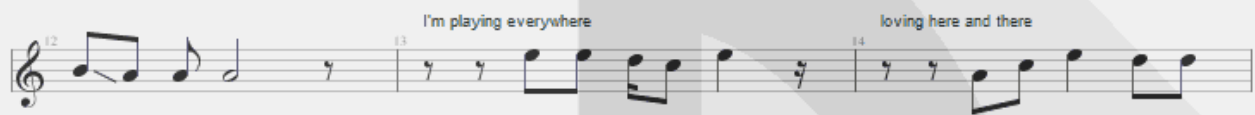

Stranded in this town

my machine slows down

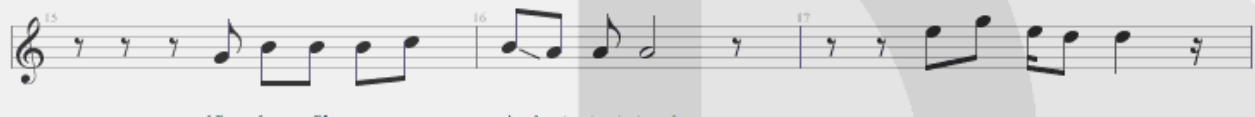

to take me where the night begins

Vocals start

I always take the chance to win

Drove a million miles

gambling rules my life

I only stop to start again

I reach out through the air

good luck is everywhere

can almost touch it

with my hands

Just a little luck tonight

will do

and dreams come true

Just a little luck tonight

I can't stop the wheel

that turns the ball of steel
